Book rotations: Students enjoyed listening and responding to a range of quality books.
Dear Parents / Guardians,

SCHOOL EXCURSIONS
It was fantastic to hear from a member of the wider community last week (we were identified by our uniform) that our Yr 6-7 children behaved admirably on the train when going on an excursion. Then later we were again complimented (a different person) on the wonderful manners of our Yr 5 children, also on excursion. Well done children, teachers and parents!

TRAFFIC CONCERN
On the morning of Friday 2nd September, a white commodore (VS or VR), registration VWM-943 driven by a ‘P’ plate male driver, went through the traffic lights outside of the school on a red light, narrowly missing one of our children. I have reported this incident to the police for their follow-up. Please reinforce with your children that they must check both ways to ensure vehicles are stopping, before stepping onto the road. Unfortunately a ‘green light’ does not guarantee safety!

CLASS PLACEMENTS 2012 (REPEAT NOTICE)
Each year I provide families with the opportunity to write to me if you have a special consideration that you would like addressed in regard to your child’s placement for the following year. This is not about requesting a particular teacher. We do not publicise what classes’ teachers have until the end of the year, for this reason. Rather it is about letting me know additional information about your child that will support their happiness at school and consequent learning ability. We already take into account children’s special education, social, emotional, behavioural and friendship needs. Writing to me does not guarantee that I can meet every request made. However, a genuine effort will be made to do so, as ensuring class placements are as ‘right’ as they can be, is in our collective best interest. Please address your letters as follows – The Principal, Confidential, Class Placement 2012, and return them by the end of this term. Thank you!

NAPLAN
Results of our children’s testing (Years 3, 5 and 7) in Literacy and Numeracy are due this week. These will be sent home to you as soon as we receive them and can organise their distribution. If you have any concerns with your child’s results or cannot understand any aspects of these reports, please make a time to discuss your queries with your child’s class teacher. Please remember that this testing takes place on a couple of days each year and is not as reliable or informative as the ongoing assessments that your class teacher provides to you and your child throughout the year.

CONGRATULATIONS
Reece Hocking, a former student, was selected as captain of the South Australian AFL Indigenous Under 15s side, which played in Queensland last week. Hopefully the week went well. Reece has also been playing A Grade in the local Barossa League competition, so must have lots of ability. Best wishes to Reece and his family – it would be great to see Reece in the Crows colours like his Dad!
Wishing you every blessing
Terry Kluzek  Principal

FAITH JOURNEY
REMEMBERING
Last week was one of remembering. For me personally, it was the 5th anniversary of my husband’s death – he died the same week as Peter Brock and Steve Irwin, and their deaths were remembered by their families and communities around Australia. This same week we remember the 10th anniversary of those who lost their lives on September 11th 2001, in America.

SACRAMENTAL PROGRAMME
A reminder to those families involved in the Sacramental programme – this weekend is your next session – Saturday – 17th September at 4.00pm or Sunday 18th September at 10.15am. If, for any reason, you cannot make either of the sessions please ring Louise Svensdotter on 82819603.

CATHOLIC SCHOOLS MUSIC FESTIVAL
Due to Mrs Mulraney not being able to carry on with the CSMF- it has fallen to me to look after the choir and the tickets etc. I have appointed a Captain and Vice Captain – Selena and Sarah to help with distribution of information. Tickets will be going out this week. If you have any queries, please see me immediately.

ST VINCENT DE PAUL
The St Vincent De Paul Family Centre (Op shop), 37 John Street, Salisbury, is in need of donations of ladies, men’s and children’s clothing, as well as household goods (non electrical) and bric-a-brac. If you can help, donations can be handed in at the centre between 9:00 - 3:30, Monday to Friday, and 9:00 - 12:30 Saturday. All money raised is used to benefit people in need. UNIFORM SHOP
With these cool mornings and warm days we are finding a lot of lost uniform items which have no identification. Please remember to label your child’s uniform so that if it is found, it can be returned. Also just a reminder that our uniform shop/bookroom is open Monday, Tuesday and Thursday from 8.30 – 9.00 am. We are taking lay-bys for next term (summer uniform)

SIBLING ENROLMENTS
Parents of students already attending St Augustine’s who also have children nearing school age still need to complete an Enrolment Form – please contact the Front Office immediately if you require a Reception place in 2012.

CESA Services Review and CEO Restructure Interim Report Survey
The Report has named the critical issues for Catholic Education SA as we see them at this time. It has also proposed some possible strategies for addressing these issues. This is not to suggest, of course, that the Report is perfect or that all the work has been done. We appreciate your interest in the Review and in the Interim Report. Listed below is the link to the feedback form, which will provide you with an opportunity to respond to the report as comprehensively as possible. : [www.surveymonkey.com/s/DZ9H355](http://www.surveymonkey.com/s/DZ9H355)

Mathematics CMaD - Year 4

The year 4 team have been focusing on rich learning tasks and assessment tools they use in the classroom for their team goal. The learning tasks allow for multiple entry points and a range of different answers. It is an environment that allows students to explore their understanding in a fun, hands on approach.

Mathematics information Session

A big thank you to those who responded to attending the Mathematics information session. These sessions will run during Week 10 Monday 9:00 – 9:45, Tuesday 2:30 – 3:15 and Wednesday 4:30 – 5:30.

If you have offered to help make resources at school on a the Monday morning, this will start Monday 19th September in Caroline Chisholm Centre. There were 36 volunteers happy to help at this time. AMAZING! If you do not have a Police clearance and have completed the Volunteers Induction, you will need to get this done. We will be running another volunteer induction next term if you want to help. Thank you, to everyone who has offered to make resources and for wanting to support your child/ren in mathematics at school and at home. The more we work together the better the outcome will be for the children.
