1. STUDENT INFORMATION:

1.1 ADMINISTRATION
Student Information Details
At the beginning of each year, every student will bring home a sheet with their current DUX (computer database) information. Please review this sheet, make any required changes and return it to the school URGENTLY.

Parent/Visitor Attendance at School
Except when delivering/collecting children at the beginning/end of the school day, all parents and visitors MUST report to the Front Office on arrival.

1.2 PASTORAL CARE AND WELLBEING
The following two positions are available to the whole school community (i.e., students, parents, and staff), preferably by appointment:

School Chaplain
The School Chaplaincy position is a Federal Government funded position which is a voluntary service available to students, parents, and staff. This service aims to provide support to all denominations. While we have received notification that this service will be ongoing, funding has not yet been approved. I will inform you once this occurs and the program begins.

School Counsellor
The School Counsellor is available each Wednesday, Thursday, and Friday. This position also provides access to a number of programs for the school community, e.g., Seasons for Growth, Social Skills, and facilitates the Student Representative Council.

1.3 ABSENTEEISM (Phone: 8182 7915)
If your child is absent, please ring the school before 9.00 am. Please provide your child’s class teacher with a written letter or doctor’s certificate when your child returns to school.

1.4 EARLY DISMISSAL
Children cannot be dismissed from school early without an adult collecting them. Sometimes we receive notes from parents indicating that their child has an appointment during school hours and will need to leave early. Children can leave early, but only if collected by a parent or an adult authorised by the parents. In this latter case, we would need to be notified by the parent/custodian of the authorisation. The collection point for all children leaving early is the school office. All classes are air-conditioned, so ‘weather’ is not a reason for early dismissal.

1.5 BICYCLES
Children riding bicycles should be extremely vigilant in observing road rules. Helmets must be worn.
Once on school grounds bicycles must be walked and then locked in the bike rack behind the Maintenance Shed. The school does not accept liability for damaged/lost bicycles.

1.6 CANTEEN (Contact Phone No. 8182 7986)
Please:
✓ ensure student’s and class teacher’s names appear clearly at the top of lunch order bag - ALL lunch orders must be written on lunch bags ONLY
✓ try to use correct money
✓ do NOT include denominations greater than $5 notes unless you inform your child’s teacher or the Canteen Manager
✓ Reception to Year 2 children may also order ice blocks through the lunch order scheme, using white order bags

1.7 SCHOOL BANKING - TUESDAYS
The Commonwealth Bank is the provider for school banking. Application forms are available through the school office.

1.8 SUPERVISION OF STUDENTS AT SCHOOL
Yard supervision begins at 8.30 am. Students are not permitted to be on the school premises without adult supervision. Should your child/children need to be on the school premises before 8.30 am, then supervision is available through Out of School Hours Care (OSHCC). Set rate charges apply. Students found at school before 8.30 am will be taken to OSHCC and the normal fee will be charged. Similarly, after school the yard is supervised until 3.35 pm.

If students are still on site after this time then they will be taken to the school office and we will try to contact you. If you have not collected your child by 3.45 pm (the time the school office closes), then your child will be taken to OSHCC and charged the normal fee. Please make alternative arrangements with family or friends for ‘emergencies’, or be prepared to pay the child care service fee, should this occur.

1.9 PERSONAL AND SCHOOL PROPERTY
Graffiti – pencil cases, folders, diaries, books, rulers, bags, clothing, hands (body parts), etc must be kept clean and free of graffiti. Children who graffiti their equipment or clothing will need to clean or replace graffitied items.

Valuables – all electrical games, CD players, toys, etc should be left at home. Breakages and theft have occurred at school and we do not want children being unnecessarily upset. If children bring special toys for ‘Show and Tell’, then these must be given to the child’s class teacher for safekeeping.

Exception: Electronic games may be brought to school for ‘Games Day’ in the MacKillop Building on Wednesdays at lunchtime. These must be given to the class teacher for safe keeping.

Sports equipment may be brought to school but it must be named. The school does not accept responsibility for loss or damage of personal equipment brought to the school.

Money in excess of $5 must NOT be brought to school without parent notification (phone or letter).

Mobile Phones - are NOT permitted to be used at school. Should students require them for before or after school travel, then they must be given to their class teacher for safe-keeping.
during the school day. For children attending OSHC, the same rule applies – mobile phones must be given to the OSHC staff.

1:10 PETS AT SCHOOL / NOTIFICATION OF ALLERGIC REACTIONS

For safety reasons, pets are not permitted on the school grounds unless you have made a prior arrangement with a teacher for show and tell purposes. Before bringing a pet to the school for a classroom visit, a note to the parents of all children in that class needs to be sent home. Therefore, prior arrangements must be made with the class teacher. If a child(ren) in that class is(are) allergic to the particular animal, then the visit will not be permitted.

1:11 PLAYGROUND EQUIPMENT

Children are not permitted to play on playground equipment or on the grass areas before or after school. Exception: Out of School Hours Care or sports sessions, when children’s activities are specifically being supervised.

1:12 UNIFORM – Transition to the new uniform is by the beginning of 2013

School uniform is mandatory. Our policy includes school shoes, jewellery and hair (length, colour and cut). A full copy of the Uniform Policy is available from the Front Office. Students need to feel an integral part of the unified culture and ethos of St Augustine’s Parish School, which means that they are able to feel good about themselves and the smart appearance of the uniform that they wear. If you are having difficulty in outfitting your child/ren with any item of uniform, please discuss your concerns with the Principal, Deputy Principal or APRIM. Children out of uniform will be given a Uniform Notice to enable parents to rectify the situation. If the non-compliance continues, then children will be sent to the school office during recess and lunch. Summer Uniform is worn during Terms 1 and 4 – Winter Uniform is worn during Terms 2 and 3. A two week changeover period applies in Terms 2 and 4.

1:13 Exemptions from School for Students of Compulsory School Age (6 to 16 yrs of age)

In the primary years families need to apply for an exemption when their child/ren would otherwise normally be at school – eg family holidays, family work commitments (seasonal farm work) or home schooling. An exemption does not need to be submitted when a child is ill or has an appointment with a doctor/dentist, etc. Normal notification of absence by letter is fine for these circumstances. Exemptions need to be submitted at least two weeks prior to the exemption period for approval that can be granted by the school principal, and preferably one to three months in advance for SA Government approval (to enable approval to be granted and the family notified, or where approval is not granted, for the family to be able to make contact with the authority involved to seek reasons for the non-approval). The school principal is the approval / non-approval authority for exemptions between one day and one month. Any exemption request longer than one month must be returned to the school, which is then responsible for forwarding this request to the Catholic Education Office and then DECS (SA Government Department for Education and Community Services), which is responsible for granting or declining approval. If you have any questions or concerns, please look up the website at http://www.decs.sa.gov.au/community/default.asp?id=navgrp=1637

5. **HEALTH AND SAFETY**

5:1 **AFTER SCHOOL SPORTS TRAINING** – If the weather forecast is 33°C or over, **sports training is automatically cancelled.** It is not beneficial to children’s health to train in hot conditions. Please listen to the radio in the morning so that your child is not left at school unnecessarily. (Please Note – your child would not be left unattended but taken to OSHC, where a service fee will apply.)

5:2 **CAR PARKING**

Parking in and around schools can be quite a concern, especially at the end of the school day. Please ensure that you obey the signs that are posted to avoid a parking infringement notice and its associated fine. Please do not park outside of a proper parking space or across children’s crossing areas, and only use the disabled parks if you have a permit. The driveway between the church and school can only be accessed in the mornings – in the afternoons it is for pedestrians only.

At all times please consider the safety of the children, be patient and obey the rules.

In particular, do NOT use the staff car park – permits are required and fines will be incurred. Parents collecting children during the school day when special circumstances exist, may park in the ‘Visitors’ parking area in front of the office (short term parking only).

5:3 **COMMUNICABLE DISEASES**

Please remember that it is important to notify the school if your child contracts a communicable disease (eg head lice, chicken pox).

5:4 **EMERGENCY RESPONSE PROCEDURES AT SCHOOL**

Either a classroom evacuation or yard evacuation (lockdown) is practised with all children each term.
If you are at school and the firebells sound (continuous bell), please go directly to the main oval. If another assembly point is required, you will be directed from the oval. It is the responsibility of the school to ensure that all people on the school site at the time of an emergency are evacuated safely.

If the emergency is outside (eg gas leak), then on the signal – a repeated low to high volume siren – please move into the nearest building. Instructions will then be provided through the internal telephone system, as to the action required to maintain your safety.

If you are in the vicinity of the school when a ‘lockdown’ occurs, then you will not be permitted access to the school until the drill or emergency is over. If you are outside of the school during a lockdown, please be vigilant for your own safety (ie it could be that an armed person is in the vicinity).

5:5 HAZARDOUS / PROHIBITED SUBSTANCES

Liquid paper, spirit-based textas and marking pens, aerosol cans, etc are legally deemed to be hazardous substances and are consequently banned from school.

While some substances are not illegal to students of the required age, at no time are students permitted to have, while on school grounds or on any school activity, substances which are injurious to their health or the health of others, ie tobacco, alcohol, petrol, spray cans, etc (see Illegal Drugs Policy – available from School Office).

5:6 INCLEMENT WEATHER POLICY (heat, cold or rain)

When it is unsuitable for children to be in the yard during recess or lunch, they are supervised in the sheltered areas of the school or in classrooms. Children will still have access to the canteen and toilets.

Should you have concerns about your child’s welfare because of extreme weather, please collect your child from school when the weather conditions concern you. All classrooms are air-conditioned.

5:7 MEDICINES AT SCHOOL

School staff are not permitted to give medication to students (legal stipulation) unless the student’s medical condition is such that ongoing medication is required to enable the student to attend school.

Parents should consider isolating children who have been ill for at least 24 hours before returning to school. Analgesics (panadol) are NOT permitted to be given to students, by school staff.

Prescribed and ‘over the counter’ medication (if the child is ill, then the child should not be at school spreading infection) is not to be administered by school staff (eg cough syrup).

If students require ongoing medication at school (apart from asthma puffers, which the student may need to keep), this must be given to the school office staff for safekeeping, together with a Medical Plan from your doctor and a signed Authority to Administer Medication (please see Front Office staff).

Medication must not be left in school bags, as it poses a potential risk to other students.

If you are unclear about the provision of medication at school, please enquire at the Front Office.

5:8 EMERGENCY CLOTHING

The First Aid Room stocks limited emergency clothing for student use. When your child uses the school’s emergency clothing, please wash and return it to the Front Office ASAP.

When our stocks diminish because clothing is not returned, parents will be contacted for clothing for their children. It is recommended that younger children have spare underwear in a plastic bag in their school bag. If not, new underwear (at a cost of $1.50 charged to your account), is available should they soil their underwear. For hygiene reasons underwear is not reused. If you wish to donate uniform, please hand it to the Front Office staff – all donations welcome.

5:9 NO HAT / NO PLAY SUN SAFE POLICY

As an accredited Sun Safe School, children must wear their hats at recess and lunch and for physical education lessons (except from 1st May to 31st August). The Cancer Foundation has recommended this exclusion period to enable children to receive the appropriate amount of Vitamin D (from sunlight) during late Autumn and Winter.

If a child does not bring a hat during the compulsory part of the year, then the child must sit out all outdoor activities in a shaded area.

We also encourage all children and parents to wear a hat coming to and from school, as damage leading to skin cancer can be caused whenever it is sunny. It is recommended that sunscreen is applied before children leave home in the mornings. Sunscreen is available and encouraged at school, however teachers are not permitted to apply it to students.

5:10 ROAD RULES

Please stress the need for your children to comply with all road rules and safety regulations if your children walk or ride to school. This applies particularly to the road safety crossing on Commercial Rd near the main school gates. Children must use the crossing and not cross the road at any other point.

5:11 SMOKING

We would like to remind you that schools are ‘Non-Smoking’ places. Please extinguish any smoking device before entering school property.
