St Augustine’s Parish School

Reviewed: Term 2 2012
Next Review Due: Term 2 2015
DEFINITIONS

Parent  The parent, guardian or caregiver of a student (singular or plural)

PHILOSOPHICAL BASIS

The safety and health of students, parents, parishioners, visitors and staff, is of paramount importance to us as a community school.

AIM

To protect and keep safe all people who use the car parks, roads and footpaths adjacent to the school, especially the people using the parking areas provided for school and parish personnel.

OBJECTIVES

Directions
The following are directions introduced by the School Board in an attempt to ensure smooth traffic flow at all times, for the safety of everyone using the school’s car parking facilities.

Please study the map and notes carefully and arrange your traffic movement to comply (Appendix 1).

The SPEED LIMIT within all car parks is 10 kph.

A ‘Kiss and Drop zone’ is available each morning on the northern boundary of the Church Car Park between the church and school, leading up to the entry gate to the school. Entry is via Commercial Road ONLY. Stoppages should be no longer than two minutes. Unfortunately the ‘Kiss and Drop zone’ does not ‘work’ in the afternoons as student delays cause a bank up of traffic on Commercial Road, making for traffic congestion and causing safety problems.

NO PARKING in the DISABLED parking bays at any time unless permit is displayed.

Staff Car Park is NOT to be used to drop off or pick up children at any time.

The entrance and exit to the Church Car Park from Commercial Road will be CLOSED between 3.00 pm and 3.45 pm each afternoon on school days. Enter via Carey Street.

The Visitors’ Car Park is for use by ‘bona fide’ visitors only, not for parents wishing to collect/drop off children in normal circumstances. However, parents needing to collect children from school early for appointments, or who bring children to school late, may use this car park. The Visitors’ Car Park is only for short term or emergency parking.

The Church Car Park and Staff Car Park is now regulated by the “Private Parking Area Act 1986” and approved by the Salisbury Council. Those in breach of the Act will be fined accordingly.
