*SCHOOL CARD DISCOUNTS

The scheme is managed by the Department for Education (DoE) and is administered by the school, if eligible this provides financial assistance towards the cost of educational expenses for full time students.

*We are a welcoming community, united in faith, and centred on learning,
who value and nurture the dignity of each individual.*

All School Card families must complete an application each year with forms and eligibility criteria available in January. The school will send information to all families who have indicated that they may be eligible.

The income threshold to qualify for School Card 2024 was \$70,994 for 1 dependent child and increases based on the number of dependent children. Applications can also be submitted for financial change of circumstances, hardship or changes to employment. Please contact our Finance Team to discuss your financial situation if your circumstances have changed.

Full fees will be charged initially and the School Card discount will be credited to your account once the school receives confirmation of your eligibility from DoE.

FEE INVOICING AND PAYMENTS

January 2024 the school will invoice all families for the full year's school fees. The school will provide families with statements on request throughout the year.

All accounts for 2024 should be paid in full by 12 April 2024, end of Term 1 unless you have a school approved payment arrangement in place. The school's preference, if you are unable to pay full fees by 12 April 2024 is to arrange for a payment arrangement with a direct debit which will satisfy full fee payment by the 13 December 2024.

Overdue accounts cause difficulty for the school in meeting its financial obligations. Where accounts become overdue and there has been no correspondence or communication with the school, normal collection procedures will be followed.

FEE ASSISTANCE

The school prides itself on working closely with our families to ensure fees are affordable. If you are experiencing financial difficulty or your financial circumstances have changed please contact the school to discuss available options.

St Augustine's Parish School are considerate and sensitive in the assessment process and all information remains strictly confidential.

Enquiries regarding fees should be directed to the Finance Team on 08 8182 7900.
